DECLARATION OF COUNSEL

I, PAUL F. DeMEESTER, say that:

I am the attorney of record for defendant SALVATORE ASARO, in the above-mentioned action, and as such am thoroughly familiar with the case.

Both sides are amicably working out the obtaining by the defense of discovery materials, a task rendered more complex due to technical needs of computer hardware and software, and due to the need to provide for protective orders during this process.

It is necessary to allow additional time to complete this process. A rescheduling of the status hearing is therefore requested.

I declare under penalty of perjury that the foregoing is true, except as to those matters stated on belief, and as to those, I believe them to be true. Executed at San Francisco, California, on June 28, 2006.
